Parish	Yapham cum Meltonby
Parish Transport Champion	Joanna Green
Surveys Returned	25
Individual responses	47
Analysis Completed	17.03.16

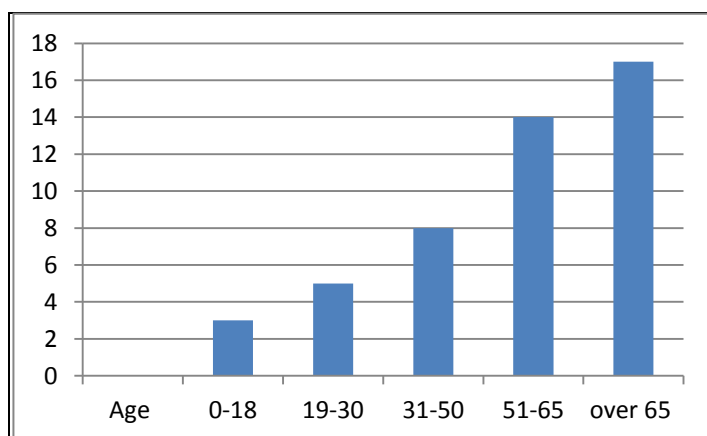

Summary of Survey Results

Using data from the East Riding Data Observatory (*census 2011*) Yapham cum Meltonby Parish is made up of 96 households (217 residents).

There are 13 households (15%) with one person in the household that has a long term health problem or disability which may impact on their transport needs,

I. Age Profile of Respondents

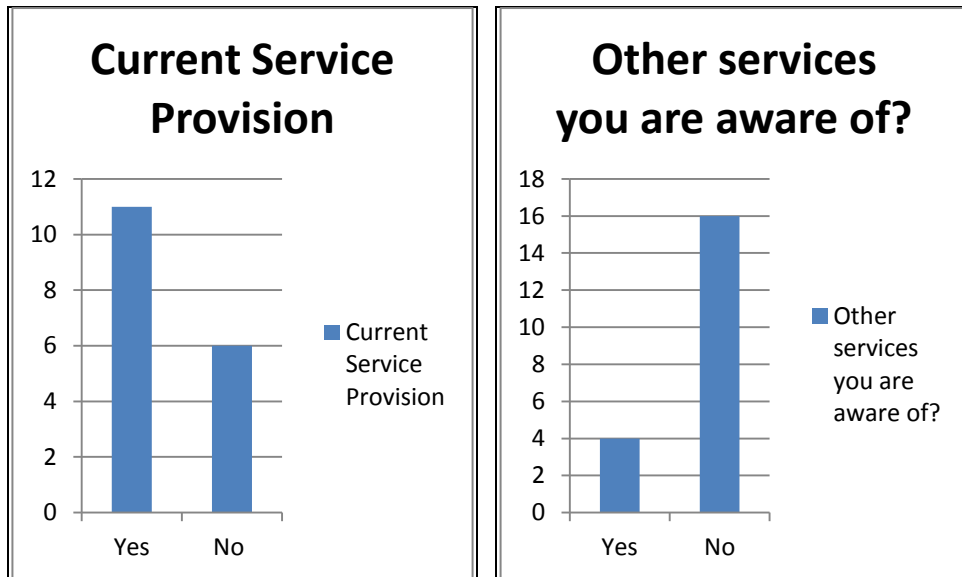

From the data available from the East Riding Data Observatory (*Census 2011*) Yapham has 39 young people under 16 (18%) and 139 (64%) of working age (16-64).

0-18	6%
19-30	10%
31-50	17%
51-65	29%
Over 65	38%

Of those that responded a third are over the age of 65.

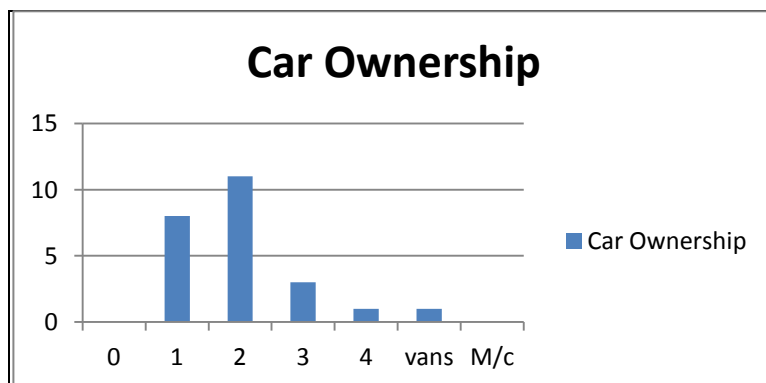

2. Are you happy with current bus times and service patterns?

Of those that responded a quarter are happy with the current service with only 12% stating they were unhappy.

Over a third of people that responded were not aware of the services that run through the village.

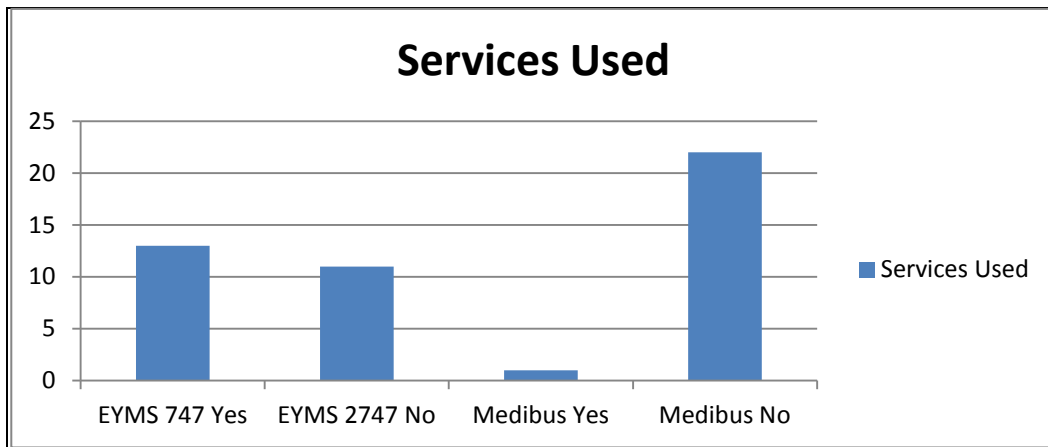

3. Car Ownership

Of those that responded, 50% had access to one of more cars.

The ONS 2016 (Office of National statistics) information confirms almost every household (96%) has access to one or more modes of transport. However there are 3 households who have no access to their own transport.

4. Which Services do you use?

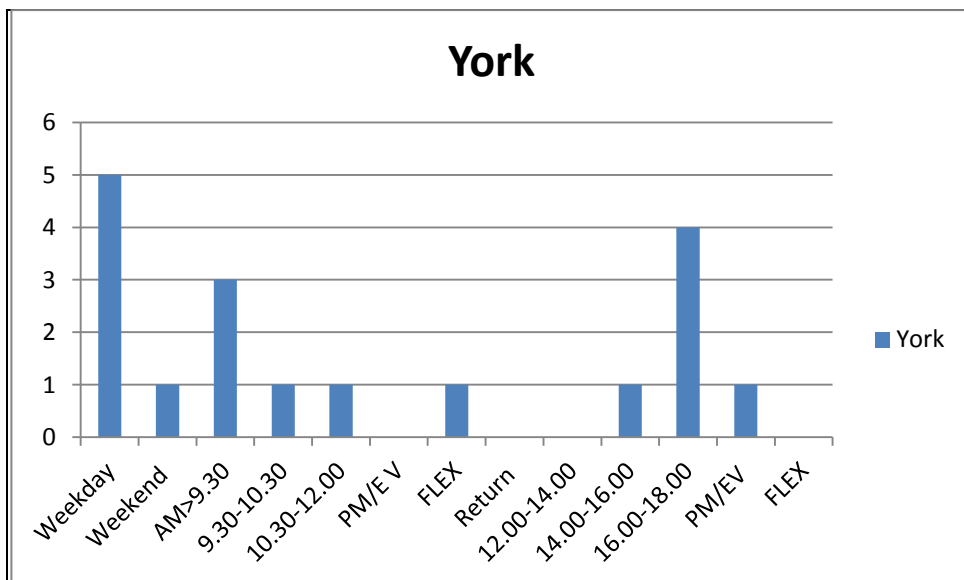

Of those that responded 25% were aware of and used the EYMS 747 regularly.

The use of Medibus was low with only one person using the service.

Nearly half of those surveyed didn't know or used Medibus.

5. Details of unmet travel needs

6. Comments

No Sunday service
A later bus from York
An earlier bus to York via Meltonby – for employment
Information about Medibus
EYMS 747 via Yapham Mill – need more than once a day
Inconvenient service times

Of those that commented;

3 people would like an earlier bus to York for work.

3 people stated they would like to use the EYMS 747 but the service times were not convenient for them.
